Introducing the Korniche FlatLite™

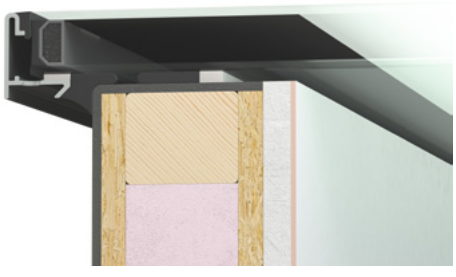

Premium Quality • Affordable Price • Effortless Installation

Why Choose FlatLite™?

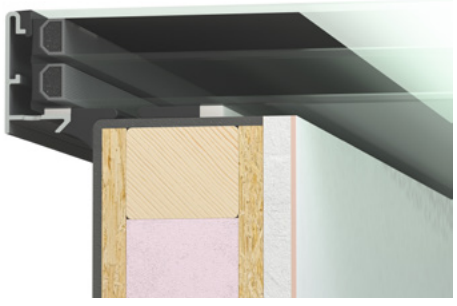

The most cost-effective addition to the Korniche range, designed to bring natural light and elegance to homes or light commercial spaces when a project is more price sensitive. Engineered with the precision and quality that defines Korniche, FlatLite™ offers exceptional affordability without compromising great design.

Addressing the risks associated with low cost rooflights, correct, repeatable, installation has been made possible with a unique spacer ensuring control of sealant depth, removing the chance of seal shear in changing temperatures. The Korniche FlatLite™ is the best solution for homeowners looking for a UK made high-quality, secure, and stylish flat glass rooflight at an unbeatable price.
