Solidor®

20 YEARS

Proudly made
in Britain for
over 20 years

still life

is a **reflection**
of our choices

the ones that **only we can make**

for **ourselves**

Every choice you've made,
every place you've called home tells a...

Story

to you

With every decision,
you redefine what it
means to belong...

to others

to spaces

We're
unapologetically
ourselves

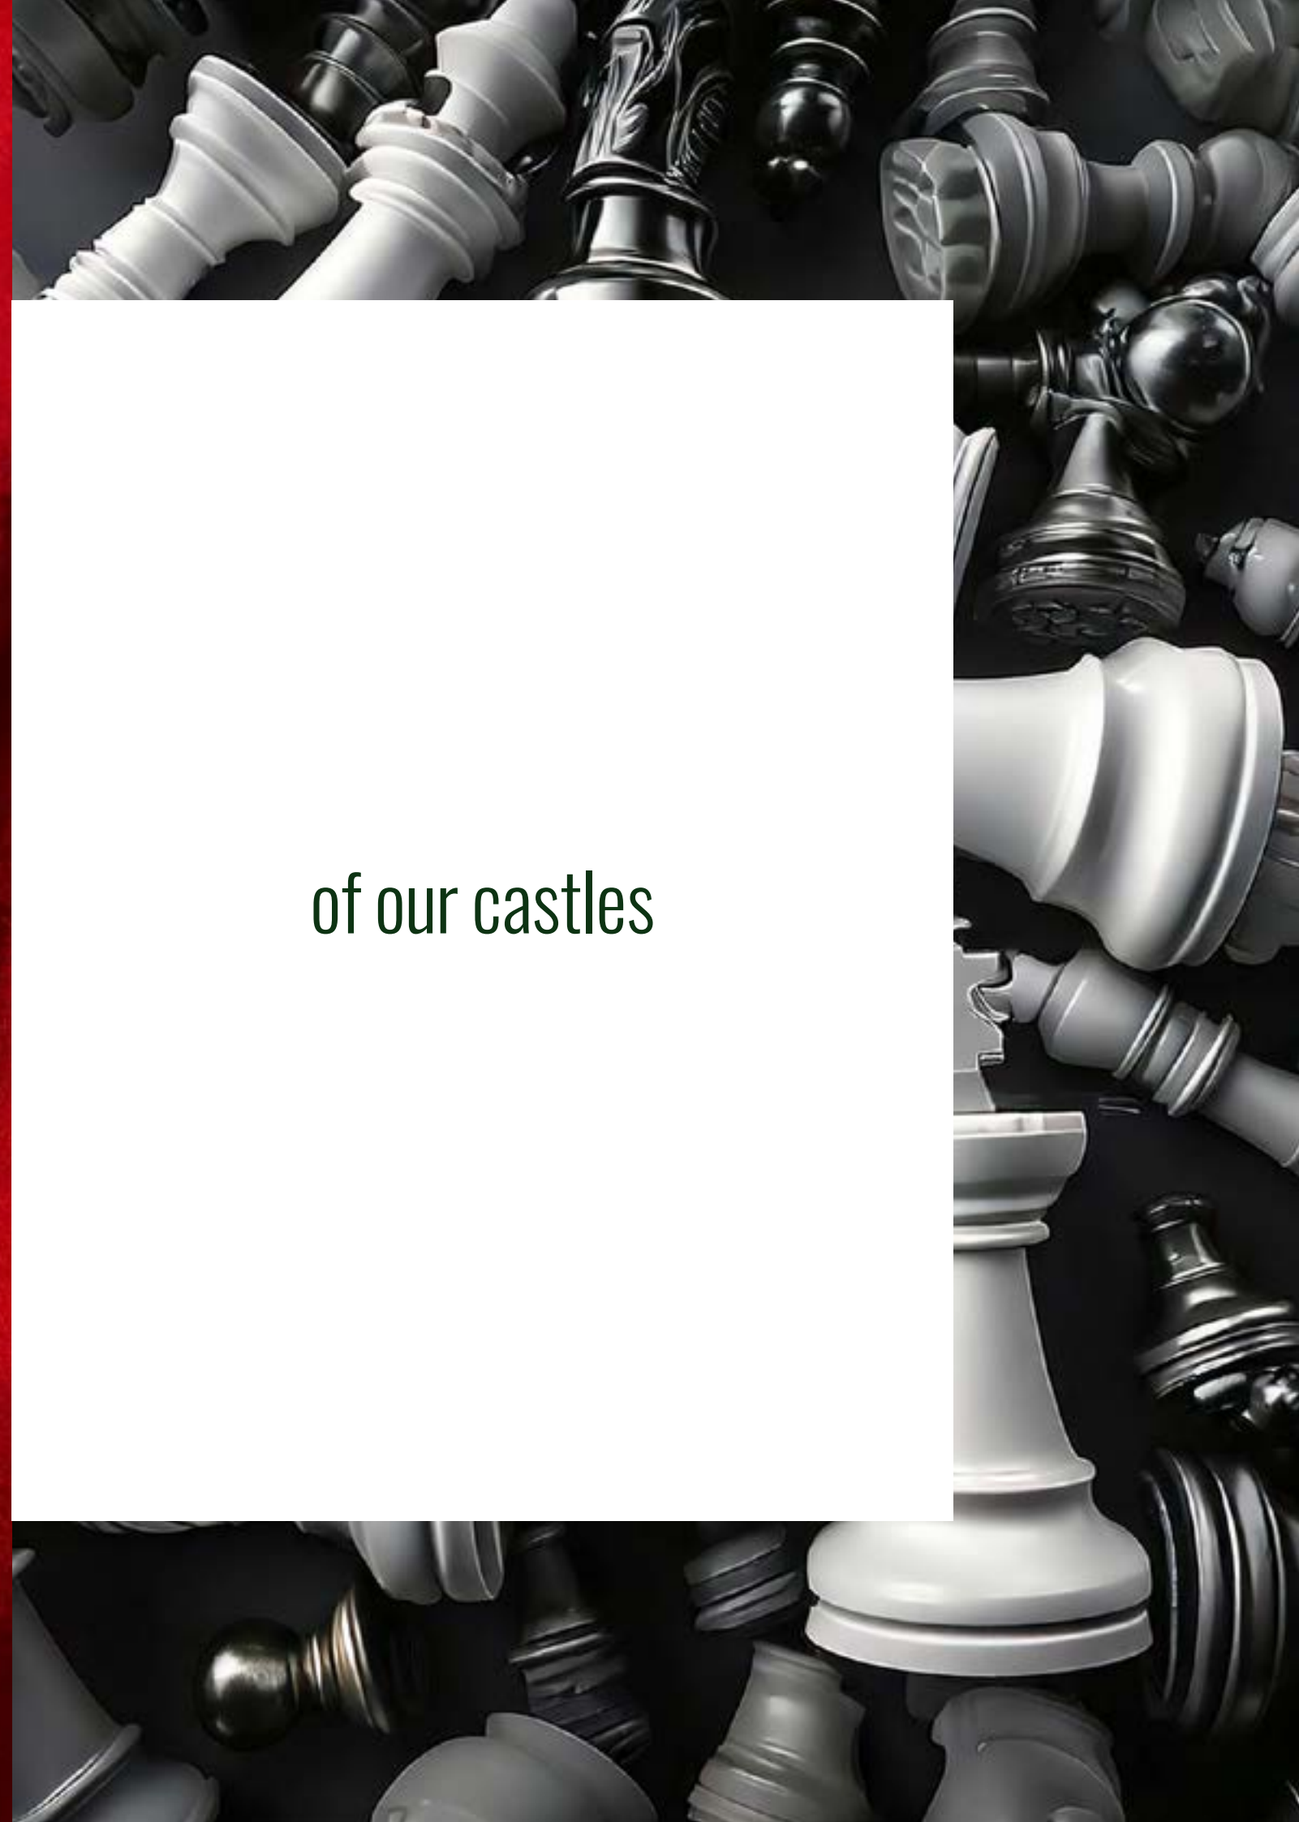

We're

100%

Real

Kings & Queens

of our castles

Life isn't about **one choice**

or **the other**

They work together,
each one a stepping
stone to the next.

The quiet power of **blending in**

the bold courage of **standing apart**

Knowing that
self-expression
isn't a...

one

size

fits all

It's real.
It's personal.
It's yours.

So here's to
deciding on your
own terms.

To being proud to

Fit in without fading out

When you are proud to fit in, belonging is everything. For you, we make belonging feel effortless - with comfort, connection, and community coming together in a door choice that just feels right.

To being proud to

Stand Out without standing alone

When you are proud to stand out, ordinary isn't an option. For you, we make it easy to design a door that is bold, expressive and unapologetically you. We bring your vibrancy to life, making a statement that will turn heads.

We believe **house proud**
starts at the front door.
