THE COMPARISON

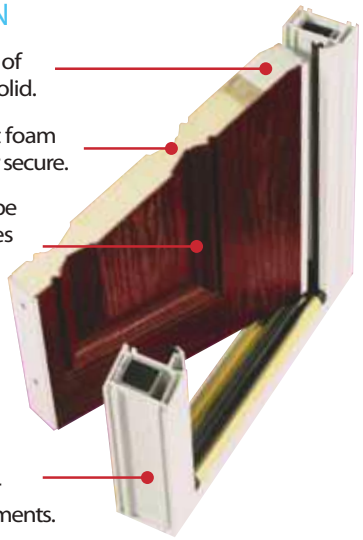

A TYPICAL FOAM FILLED CONSTRUCTION

Only a small section of the door is actually solid.

Thermally great, but foam filled so not solid, nor secure.

Gel coated GRP maybe strong but it scratches very easily.

Most other doors have frames containing lead stabilizers. The frames are only 3 chambers thick and use valuable steel or aluminium reinforcements.

CONSTRUCTION

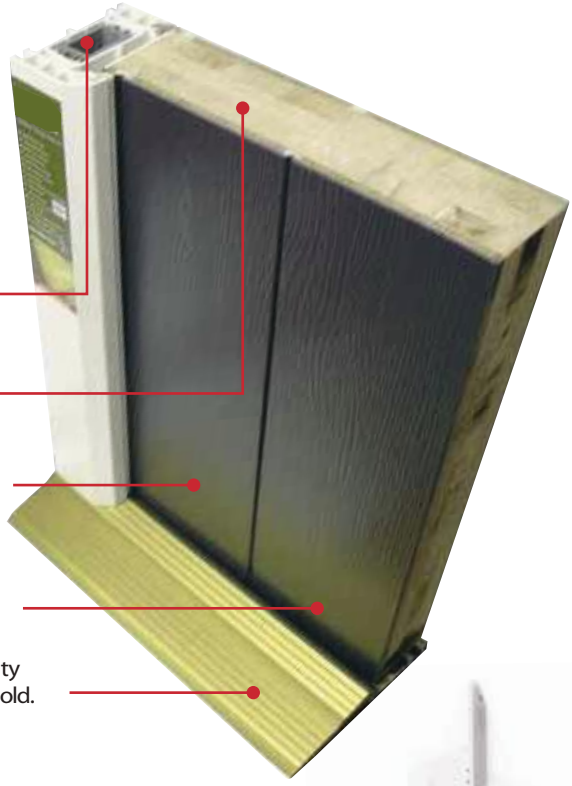

Lead free, 5 chamber profile with 100% recycled reinforcing.

Thermally efficient Solid Timber Core.

Robust through colour thermo plastic skins.

Realistic wood grain effect or smooth finish.

Optional integral mobility access aluminium threshold.

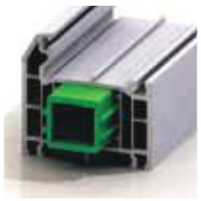

DOUBLE & TRIPLE GLAZED UNITS

Our double and triple glazed units are manufactured to BSEN1279 and are manufactured using 4mm toughened safety glass for our double glazed sealed units and a mixture of laminated glass and toughened glass for our triple glazed sealed units. Both have excellent heat retention properties.

COLOUR FASTNESS GUARANTEE

All of our doors have a guaranteed UV stable colour fastness. All of our Foiled products match, so that the door and the frame match together.

ENERGY EFFICIENT REINFORCING

Each door is manufactured using 100% fully recycled door frame reinforcing. As well as superior thermal performance, Werbar is also super environmentally friendly and out performs steel and aluminium when it comes to screw retention.

HIGH QUALITY FURNITURE

We were the first company to embrace the Prolinea range of door hardware. This selection is highly contemporary and of a premium quality. Care instructions are always included with our letter plates.

MULTIPOINT LOCKING

A wide range of multi-point locking, so whether it is a standard handle operated, night latch and key operated multi or just a key only multipoint locking, security is never compromised.

TRISYS GLAZING CASSETTE SYSTEM

A premium glazing system, where fashion and function were viewed as being equally important. No screw hole plugs - Clean design on both outer and cover frames with classic crown molding and a handcrafted appeal. All of our glazing cassettes can re re-glazed if required.

Our Avantis Secure by Design Multi Point Lock.
